## Work Experience

**University of Colorado Denver** 01/2018 to 07/2023

### Teaching Assistant at LYNX National Arts & Media Camps

- Assisted highschoolers in the 3D Animation and Stop Motion Animation camps with understanding and using Maya, Arnold, physical cameras, and art supplies to create animations for the Lynx Camp showcases in July 2022 & 2023.
- Created custom rigs from student selected models using Advanced Skeleton and rendered student animations for returning or experienced students.
- Facilitated lunch trips, drop-offs and pickups for campers, and activities during slow periods.

### Learning Assistant for 2 sections of BIOL 2061, 2 sections of 3411

- Led and assisted class activities for lecture classes of ~100 students.
- Hosted weekly office hours and review sessions prior to examinations for students.

### Bathroom Stall Galactica Thesis Film

- Created and organized pipeline for film in Maya, Unreal Engine 5, Nuke Studio, and File Explorer for team through organization of assets and shots and maintaining Unreal Project assets/renders.
- Modeled, rigged, UVed, retopologized, animated, and composited various assets and shots for film.

**National Society of Leadership and Success** 08/2018 to 05/2022

### Intern & Chapter President at University of Colorado Denver

- Founded chapter by recruiting and advertising the program to campus officials, to create and lead a chapter of 684 students.
- Collaborated and networked with students to build a team of officers to run this organization.
- Hosted and presented during events focused on leadership and personal development.

## Volunteer Experience

**Denver Zoo Teen Volunteer** 05/2013 to 08/2017

### Worked 1750+ hours in the following tasks:

- Assisted the Summer Safari childcare camp by facilitating activities, animal encounters, games, crafts, and tours, as well as fulfilling any miscellaneous tasks to maintain camp schedule.
- Educated guests about conservation topics and animal adaptations through animal handling within the zoo.
- Assisted Gates Animal Housing staff with animal husbandry tasks, dietary prep, and educational programming such as animal encounters and shows.

**National Society of Leadership and Success** 10/2015 to 05/2017

### Social Events Chair & Advisory Officer at Community College of Denver

- Facilitated and supervised events for the CCD chapter of NSLS.
- Worked with members within the organization to assist them in completing the steps to be inducted into the society.
